

BREAKOUT SESSION QUESTIONS

1. How will the electronic energy poverty manual be displayed? (e.g. pdf entire document, links to chapters etc.)
2. Where/how will it be hosted? (e.g. LIEN website, wiki etc.)
3. Who will update the content and how? Limited or unrestricted group?
4. How can we ensure commitment from community partners to regularly review and update the document so that the onus doesn't fall on LIEN?
5. How will you use the manual?
6. How will you/your organization disseminate the information or distribute the manual?
7. How would you market it – featuring key points, target audience
8. What audiences will you approach?
